Re: Shengmeng Wang v. Chung Fat Supermarket Inc. et al.
Case No. 1:25-CV-02236

Dear Chief Justice Brodie:

We represent the plaintiff in the above-captioned action. Pursuant to the Court's Individual Practices and Rules 1.F, we write, with Defendants' consent, to respectfully request an extension of Plaintiff's time to respond to Defendants' second request for a pre-motion conference concerning an anticipated motion to dismiss. Currently, Plaintiff's deadline to respond is set for August 12, 2025, and Plaintiff requests that it be extended to August 25, 2025.

There is good cause for this request. Due to previously scheduled summer travel plans, Plaintiff's counsel will be unable to provide a response to Defendants' request for a pre-motion conference. The additional time requested will permit Plaintiff's counsel to return from travel and draft an appropriate response, without having to interfere with travel schedules.

As set forth above, all parties agree to this extension. This is Plaintiff's first request for an extension of his time to respond to Defendants' second request for a pre-motion conference.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ James Scott Yoh
